"However, as a safety measure, it would be advisable for each examinee, to have conducted the RT-PCR test upon himself and only in case where such examinee finds that the test is negative, that he may attend the examination. The respondent no.4 - MUHS therefore is directed to issue an Advisory to the Principals of the various Colleges and also to publish it on its website, indicating that it would be desirable that each examinee, should have himself tested for Covid-19 and produce the negative report to the hall examiner along with his hall ticket on 10/06/2021. In case an examinee, is not having such a RTPCR certificate, he can have report of a Rapid Antigen test and be permitted to appear in the examination on its basis, but may also be asked to get an RT-PCR test conducted upon himself/herself and produce a report in that regard on the next date of the examination and preferably by 15/06/2021. Needless to say that in case the RT-PCR report is found positive, such an examinee would not be in a position to undertake the examination, in order to avoid spread of the infection. This is all however, subject to the directions and instructions, as may be contained in the SOP, issued by the respondent no.2, as prevailing on 07/06/2021 or thereafter"

उपरोक्त निर्देश अनुपालनाच्या अनुषंगाने सर्व परीक्षार्थी विद्यार्थ्यांच्या निदर्शनास त्या - त्या महाविद्यालयाच्या अधिष्ठाता / प्राचार्य यांनी तातडीने आणुन द्यावे.
