

ZVM Unani College Celebrates 'Cycling Sunday' to Promote Fitness and Sustainability

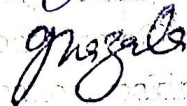

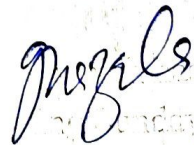

On the 2nd of March, 2025, the students and staff of **ZVM Unani College and Hospital, Azam Campus**, participated in a grand celebration of 'Cycling Sunday' as part of the nationwide 'Fit India Cycling Drive.' The event was marked by enthusiastic cycling across the campus, aimed at promoting both fitness and eco-consciousness.

The event was graced by the esteemed Principal of ZVM Unani College, **Dr. Gazala Mulla**, along with **Dr. Jaleel Ahmed** and **Dr. Rafi Ahmed Chaudhry**. The college's **sports teacher, Umair Ansari**, and other staff members joined the students in this health and sustainability initiative, reflecting the broader vision of the '**Fit India Movement**.'

Cycling, recognized for its numerous health benefits, including improved cardiovascular health, increased stamina, and stress reduction, is a central component of this nationwide initiative. The celebration of 'Cycling Sunday' aligns with the Hon'ble Prime Minister's call for "**Fitness ki dose, aadha ghanta roz**" (Half an hour of fitness every day). Moreover, cycling contributes to a cleaner environment, making it a key solution to reduce pollution and promote sustainability, contributing to a "Green, Fit India."

This local event mirrors the national 'Fit India Cycling Drive,' which has already gained momentum with over 1.5 crore participants. The 'Cycling Sundays' initiative is part of the Ministry of Youth Affairs and Sports' ongoing efforts to integrate cycling into the daily routines of citizens across the nation, making it a widespread movement for health and the environment.

As the event wrapped up, participants shared a renewed sense of commitment to the cause of fitness, health, and environmental responsibility. The success of this initiative at ZVM Unani College serves as an inspiration for other educational institutions to partake in the movement and foster a fitter, greener future for the nation.

Subject: Report on CPR Training Session for Nursing Staff

Respected Sir/ Madam,

I am pleased to report that a training session with hands-on training on Cardiopulmonary Resuscitation (CPR) was successfully conducted for the nursing staff on **8th February 2025 at 10:00 AM** in the **Physiology Lab** of the college.

The session was conducted by **Dr. Zakir Khan** under the guidance of **Dr. Ghazala Mullah, In-Charge of the CPR Committee**. The objective of this training was to enhance the emergency response skills of the nursing staff, ensuring they are well-equipped to handle critical situations efficiently.

During the session, the following key aspects were covered:

- The importance and principles of CPR
- Basic Life Support (BLS) techniques
- Step-by-step demonstration of CPR procedures
- Hands-on practice on mannequins

The session was well-received, and the nursing staff actively participated in the hands-on training. This initiative aims to strengthen emergency preparedness in our hospital and improve patient care outcomes.

I extend my gratitude to **Dr. Ghazala Mullah** for her valuable guidance and to all the participants for their enthusiastic involvement. Further periodic training sessions will be planned to ensure continuous skill enhancement.

Thank you for your support.

Enclosed documents:

- 1) **Participant attendance**
- 2) **Geotag Photos of Training session**

Dr. Zakir Khan
