- Agenda No. 6 : Any other matter with the permission of the chair.

Date : 15th July 2026

Dr. Nazim Rafi Shaikh
Hon. Secretary

Note :

- If the meeting is adjourned for want of quorum, the adjourned meeting will be held on the same day and at the same place at 10:30 am, and for such adjourned meeting, no quorum is required.
- In case of any suggestions, queries, or verification of accounts, written intimation to the President should be given five days in advance of the meeting date.

VISION

Our institution has a noble vision of providing Medical, Paramedical Sector and Educational assistance to the weaker sections of the society, regardless of caste, creed or religion. The institution is committed to providing comprehensive and holistic healthcare services to those in needs, including the underprivileged and deserving ones.

MISSION

Our mission is to impart high-quality education and training to our students in the fields of Unani Medicine, Physiotherapy, Public Health and Paramedical Sector while fostering a culture of research excellence and social responsibility. We aim to equip our students with the knowledge, skills and humanitarian service approach, necessary to excel in their respective fields and make meaningful contributions to the society.

AIMS & OBJECTS

1. To provide high-quality education and training in the fields of Unani Medicine, Physiotherapy and Paramedical Sciences enabling our students to become competent and skilled professionals.
2. To foster a culture of research excellence, encouraging faculty and students to engage in cutting-edge research and publish their findings in the leading journals.
3. To provide practical exposure and clinical training to our students, enabling them to apply theoretical & Practical knowledge to real-life scenarios.
4. To serve the community through various outreach programs aimed at providing healthcare services to the underprivileged.
5. To continuously upgrade and improve our academic and research infrastructure, ensuring that we remain at the forefront of medical education and research in the region.
6. To promote interdisciplinary collaboration and cooperation among faculty of other institutes of any Campus, staff and students, encouraging the exchange of ideas and knowledge across various fields of study.
7. To install in our students a sense of social responsibility and ethical values, equipping them with the necessary attitudes and values to become responsible citizens and healthcare professionals.

Through the pursuit of these aims and objectives, we are confident that M.M.E.&R.C's, Pune will continue to make significant contributions towards the advancement of Medical education, research and healthcare in the region.

PRESIDENT'S MESSAGE

I offer my sincere gratitude to Almighty Allah for guiding us through another successful year and blessing our institutions with continued growth, achievement, and service to the society.

It gives me immense pleasure to present the Annual Report of Maharashtra Medical Education & Research Centre (M.M.E.R.C.) for the academic year 2025–2026. This report highlights the major achievements and progress of our institutions and reflects our unwavering commitment to quality education, healthcare, research, innovation, and community service.

Our flagship institution, Z.V.M. Unani Medical College & Hospital, offering UG, PG, and Ph.D. programmes, achieved a remarkable milestone by securing “A” Grade and Top Rank in India under NEBT-QCI, Government of India. The institution actively organized academic programmes, medical camps, Continuing Medical Education (CME) activities, faculty development programmes, workshops, awareness drives, and World Unani Day celebrations. The college also received recognition for research activities under Central Council for Research in Unani Medicine (CCRUM), Ministry of Ministry of Ayurveda, Yoga & Naturopathy, Unani, Siddha and Homoeopathy (AYUSH), Government of India, & Maharashtra University of Health Sciences (MUHS), Nashik and continued to strengthen healthcare services through ICU facilities, central oxygen supply, dialysis services, ambulance services, and free meal facilities for poor and needy patients.

M.A. Rangoonwala College of Physiotherapy and Research Centre, offering undergraduate and postgraduate programmes, continued its excellence in physiotherapy education, research, clinical training, and community outreach activities. College received Government Permission for increase in intake of Musculoskeletal Physiotherapy Post Graduation Seats (PG) from 2 Seats to 9 Seats and Starting New Post Graduation Course for Neurophysiotherapy Subject with 6 Seats. The institution has made significant contributions in patient care, rehabilitation services, and student skill development. Across all MMERC institutions, we have focused on technology-driven and student-centric education by providing modern laboratories, smart classrooms, digital libraries, free Wi-Fi facilities, scholarships, and advanced learning resources. Our faculty members and students have actively participated in national and international academic activities, research collaborations, health awareness programmes, and social outreach initiatives, bringing recognition and pride to our institutions.

I express my heartfelt gratitude to the Chairman and Trustees of Haji Gulam Mohammed Azam Education Trust for their generous contributions and encouragement. I also extend my sincere thanks to the President and Governing Body of Maharashtra Cosmopolitan Education Society for their steadfast cooperation and continuous support. I sincerely appreciate our donors, and well-wishers whose collective efforts have contributed immensely to the success of our institutions. With continued support, dedication, and teamwork, I am confident that M.M.E. & R.C. will continue to achieve greater milestones in education, healthcare, research, and community development in the years ahead.

With best wishes and prayers for continued success.

A handwritten signature in black ink, appearing to read 'A. Inamdar', written over a horizontal line.

Mrs. Abeda P. Inamdar
President, M.M.E.&R.C., Pune

VICE PRESIDENT'S MESSAGE

It gives me immense pleasure to share the achievements and progress of M.M.E. & R.C. for the academic year 2025–2026. Both Z.V.M. Unani Medical College & Hospital and M.A. Rangoonwala College of Physiotherapy have shown remarkable growth in academics, healthcare services, research, and student development activities.

During the year, the institutions successfully organized various academic programmes, workshops, conferences, medical camps, awareness programmes, faculty development activities, and community outreach initiatives. Students actively participated in curricular, co-curricular, and extracurricular activities, reflecting the vibrant academic environment of our institutions.

A proud moment for all of us was the achievement of Z.V.M. Unani Medical College & Hospital securing “A” Grade and First Rank in India under NEBT-QCI, Government of India. This achievement reflects the dedication and teamwork of the management, faculty members, staff, and students.

I appreciate the sincere efforts of all stakeholders who continuously work towards maintaining excellence in education, healthcare, and research. I am confident that our institutions will continue to achieve greater success and contribute meaningfully to society in the years ahead.

With best wishes for continued growth and success.

Dr. Arif Ali Memon
Vice President
M.M.E.&R.C., Pune

SECRETARY'S MESSAGE

It gives me great pleasure to present the Annual Report of M.M.E. & R.C. for the academic year 2025–2026. The year has been highly productive and successful for both Z.V.M. Unani Medical College & Hospital and M.A. Rangoonwala College of Physiotherapy in the fields of academics, healthcare services, research, and student development. Throughout the year, both institutions organized various academic, clinical, and community outreach programmes, while students actively participated in curricular, co-curricular, and extracurricular activities, fostering their overall development and professional growth.

A major achievement of the year was the outstanding recognition received by Z.V.M. Unani Medical College & Hospital, which secured “A” Grade and First Rank in India under NEBT-QCI, Government of India. This remarkable accomplishment reflects the commitment of the management, faculty, staff, and students towards quality education and healthcare excellence. Day by day we are increasing our government aided staff, recently we have appointed one more faculty member in the department of Amraz e Jild wa Taziniyat. We are also modernising Dept. of Ilaj Bit Tadbeer and Tashreeh ul Badan (Anatomy).

Another Success story of M. A. Rangoonwala College of Physiotherapy and Research includes felicitation of Principal, Dr. Ronika Agrawal by the hands of Chief Minister Mr. Devendra Fadnavis for rendering physiotherapy services to Warkaris under Charanseva. College has also received Government permission for increase in PG seat intake in the subject of Musculoskeletal Physiotherapy and starting a new PG Course in the subject of Neurophysiotherapy. So the total seats of PG have increased from two to fifteen. It gives me great pleasure to share that the Final year BPTH students cleared their university exam with flying colours having 100% result.

The management has continuously focused on strengthening infrastructure, upgrading hospital facilities, introducing advanced equipment, promoting research activities, and creating a student-friendly academic environment. These efforts have greatly enhanced learning opportunities and healthcare services for students and patients alike.

I sincerely appreciate the dedicated efforts of our Principals, faculty members, hospital staff, non-teaching staff, students, alumni, and well-wishers for their valuable contribution to the growth and success of our institutions. I also extend my gratitude to NCISM, Ministry of AYUSH, MUHS Nashik, CCRUM New Delhi, and all supporting organizations for their continued guidance and support.

I am confident that our institutions will continue to progress with excellence and achieve greater milestones in the coming years.

With best wishes for continued success.

Dr. Nazim Rafi Shaikh
Hon. Secretary, M.M.E.R.C., Pune

PRINCIPAL'S MESSAGE

It gives me immense pleasure to present the Annual Report of Z.V.M. Unani Medical College & Hospital, Pune, for the academic year 2025–2026. The year has been marked by significant achievements in academics, research, healthcare services, infrastructure development, and community outreach.

Our institution achieved a remarkable milestone by securing “A” Grade and Top Rank in India under NEBT-QCI, Government of India, reflecting our commitment to excellence in Unani medical education and patient care. The college successfully obtained all necessary approvals from NCISM and MUHS, Nashik, and continued to strengthen its academic and clinical programmes.

During the year, the college successfully organized a Faculty Development Programme (FDP) for AYUSH faculty members, various CME activities, workshops, medical camps, and awareness programmes. Our students achieved 100% results in university examinations, demonstrating the high standards of teaching and learning maintained by the institution.

The college has made substantial progress in infrastructure development through modernization of departments, establishment of smart classrooms, campus-wide Wi-Fi facilities, upgraded computer laboratories, development of STP and Pollution Control Systems, and installation of advanced teaching and clinical equipment. Research activities were further strengthened through ongoing work by Ph.D. scholars, faculty publications in national and international journals, and active participation in research projects.

Our faculty members have represented the institution at national and international conferences and have served as experts and members of various government, academic, and professional committees. The college also remained actively engaged in Pharmacovigilance activities, Anti-Ragging awareness programmes, Prevention of Sexual Harassment initiatives, and other student welfare activities.

I sincerely appreciate the support of the Management, MMERC, faculty members, hospital staff, non-teaching staff, students, alumni, and well-wishers whose dedication and teamwork have contributed to these accomplishments. I also express my gratitude to NCISM, Ministry of AYUSH, MUHS Nashik, CCRUM New Delhi, and all collaborating organizations for their continuous guidance and support.

I am confident that Z.V.M. Unani Medical College & Hospital will continue to achieve greater heights in education, research, healthcare, and community service in the years ahead.

With best wishes for continued success.

Dr. Farha Rizwan Sikalgar
Principal
Z.V.M.U.M.C.H., Pune

THE MAHARASHTRA MEDICAL EDUCATION AND RESEARCH CENTRE, PUNE

The Maharashtra Medical Education and Research Centre, Pune, is driven by an overarching vision deeply rooted in compassion, equity and inclusivity. Our institution stands resolutely committed to extending a helping hand to the vulnerable sections of society, irrespective of their caste, creed or religious affiliations.

At the heart of our mission lies the unwavering dedication to providing comprehensive and holistic healthcare services to all individuals in need, with a particular focus on the underprivileged and deserving members of our community. We firmly believe that access to quality medical care is a fundamental right, not a privilege and as such, we tirelessly strive to bridge the gap between healthcare disparities.

Recognizing the multifaceted challenges faced by marginalized communities, we adopt a multifaceted approach to address their needs. Through our medical, paramedical and educational assistance programs, we aim to empower individuals with the tools, resources and knowledge necessary to lead healthier and more fulfilling lives.

Furthermore, our commitment to comprehensive healthcare extends beyond mere treatment to encompass preventive care, health education and community outreach initiatives. By fostering a culture of wellness and proactive health management, we endeavor to not only treat illnesses but also prevent them from occurring in the first place.

In essence, the Maharashtra Medical Education and Research Centre, Pune, serves as a beacon of hope and healing for those who deserves. With our unwavering dedication to service, compassion and excellence, we are steadfast in our resolve to make a meaningful and lasting impact on the lives of individuals and communities in need.

The Maharashtra Medical Education and Research Centre, Pune, is dedicated towards providing medical, paramedical and educational assistance to all, regardless of background. Our commitment is to offer comprehensive healthcare services, particularly to the underprivileged, ensuring holistic well-being for all sections.

Z.V.M. UNANI MULTISPECIALITY HOSPITAL FACILITIES

The hospital provides comprehensive healthcare through specialized departments, regular health camps, dental and gynecological services, ensuring compassionate and quality patient care.

ENVIRONMENTAL RESPONSIBILITY

The hospital follows eco-friendly practices, including the Sewage Treatment Plant (STP), to minimize environmental impact and maintain a clean healthcare environment.

QUALITY ASSURANCE

Hospital facilities are regularly upgraded with advanced technologies. Strict quality standards are maintained in the ICU, NICU, pathology laboratory, and other departments to ensure safe and effective patient care.

SEMI-PRIVATE WARDS

Well-maintained semi-private wards are available to provide comfort, privacy, and personalized care according to patients' needs.

X-RAY UNIT

The hospital has a digital X-ray unit with advanced technology that offers accurate and timely diagnostic imaging services.

OPERATION THEATRE

Advanced operation theatres equipped with modern surgical equipment ensure safe and efficient surgical procedures while maintaining high standards of care.

FREE MEAL SERVICES

Nutritious meals are provided free of cost to needy and poor patients, supporting their recovery and overall well-being.

SEWAGE TREATMENT PLANT (STP)

The hospital operates an STP for proper waste management and environmental protection, reflecting its commitment to sustainable healthcare practices.

PUBLIC AWARENESS AND COMMUNITY ORGANIZATIONS

The hospital regularly conducts health awareness programs and collaborates with community organizations to promote public health and social welfare.

BACKUP GENERATOR

An uninterrupted power supply is ensured through a backup generator system, allowing continuous functioning of all critical services.

DIALYSIS FACILITY

The hospital offers advanced dialysis services with modern equipment and trained professionals to provide quality renal care.

MATERNITY AND GYNAECOLOGICAL CARE

Comprehensive maternal and gynecological services, including antenatal, postnatal, delivery, and specialized treatments, are provided to ensure quality care for women.

INTENSIVE CARE UNIT (ICU)

A well-equipped ICU with modern facilities and dedicated staff provides round-the-clock critical care services.

FREE ROUTINE MEDICAL CHECK-UP CAMP

Regular health camps are organized in rural and underserved areas to provide free medical examinations, health education, and preventive healthcare services.

DENTAL CARE

The dental unit offers routine check-ups, diagnostic services, and specialized dental treatments with modern equipment.

AMBULANCE SERVICE

Emergency ambulance services equipped with essential medical facilities ensure timely transportation and immediate medical assistance.

PATHOLOGY LAB

The pathology laboratory provides accurate diagnostic services, including blood, urine, and tissue investigations, using advanced technology.

FIRE FIGHTING EQUIPMENTS SYSTEM

Fire safety measures are maintained throughout the hospital with adequately installed fire extinguishers and emergency preparedness systems.

NEONATAL INTENSIVE CARE UNIT (NICU)

The NICU provides specialized care for newborns and critically ill infants with advanced equipment and expert medical supervision.

GENERAL WARD

Affordable and quality healthcare services are provided in the general wards, ensuring comfort and effective treatment for all patients.

ULTRASOUND SONOGRAPHY (USG)

The hospital offers ultrasound and sonography services with modern diagnostic facilities at affordable rates.

Wherever the art of medicine is loved, there is also a love of humanity.

IMPORTANT EVENTS AT Z.V.M. UNANI MEDICAL COLLEGE

1. On 5th April 2025, a training program on the Prevention, **Prohibition and Redressal of Sexual Harassment of Women at Workplace (POSH) Act 2013** was conducted. The session was organized by Dr. Ayesha Fatema from Department of Moeljat for all female staff members and students. Participants actively attended the program and gained valuable knowledge about the provisions of the POSH Act.
2. In the year 2024-25 A **Research Project from Z.V.M. Unani Medical College & Hospital, Pune, under the guidance of Dr. Jaleel Ahmed, Professor & HOD Department of Kuliyaat**, was selected as the top-ranking project across India by CCRUM, New Delhi under the CCRUM-SPUR Scheme. Ms. Anaam Fatema Salim Shaikh, under the co- guidance of Dr. Ayesha Fatema, Professor, Department of Moalijat, conducted the project on “The prevalence of symptoms of Zoaf-e-Meda (Gastroparesis) among healthy individuals”. This achievement brought great pride and recognition to the institution.
3. On 7 April 2025, the Department of TST celebrated **World Health Day**. Various health awareness activities were organized to promote the importance of good health and healthy lifestyle practices among students ,staff & hospital staff.
4. On 14 April 2025 at 8:30 a.m., a **Maha Rally** was organized at Azam Campus, Pune, to commemorate the **Birth Anniversary of Dr. B.R. Ambedkar**. **Mrs. Abeda P. Inamdar** **Flagged off the Rally** with a green flag, and students, faculty, and staff participated enthusiastically to pay tribute to Dr. Ambedkar’s contribution to equality, social justice, and education.
5. On 19 April 2025, the Department of TST organized an **Educational Visit** for second-year students to **Katraj Milk Dairy**. Students observed the process of milk pasteurization and gained practical knowledge about milk processing and quality control. The visit also included a toxicology study visit to the **Snake Garden at Rajiv Gandhi Zoological Park and Wildlife Research Center**. Students learned about different species of snakes, snake venom, poisonous bites, and their medical importance in toxicology. The visit provided practical exposure and enhanced students’ understanding of Toxicology and public health awareness.
6. On 23 April college and hospital, successfully conducted the **Orientation Program for final year UG Students**. All Faculty members actively contribute through lecture and sessions on various topics related to final year subjects.
7. On 25 April 2025, **World Malaria Day** was observed by the Department of TST. Students presented different models showing the mosquito life cycle and explained malaria prevention and control measures.
8. On 1st May 2025, **Maharashtra Day and International Labour Day** were celebrated at the college with enthusiasm. **Mrs. Abeda Inamdar Madam Hoisted the National Flag** and addressed the gathering, highlighting the importance of hard work, dedication, and service to society. Faculty members, staff, and students actively participated in the programm.
9. On 12th May 2025, **International Nurses Day** was observed at the college to recognize the valuable contribution of nurses in healthcare services.

10. On 16th May 2025, the **Graduation Ceremony (Convocation)** for Batch 2019–2025 was conducted at the college by Academic department with great enthusiasm. The programme marked an important milestone in the academic journey of the graduating students. An oath ceremony was also conducted during the event to inspire students towards ethical medical practice and professional responsibility.
11. On 31st May 2025, **World Anti-Tobacco Day** was observed to create awareness about the harmful effects of tobacco consumption. Educational sessions and awareness activities encouraged students and staff to adopt a tobacco-free lifestyle.
12. On 5th June 2025, **World Environment Day** was celebrated at the college to promote environmental awareness and conservation.

FUTURE PLANS OF Z.V.M. UNANI MEDICAL COLLEGE AND HOSPITAL, AZAM CAMPUS, CAMP, PUNE

B.Sc. Nursing :

We are expected to receive permission next year to start the B.Sc. Nursing program under MUHS, Nashik, in collaboration with the Government of Maharashtra.

National Conference :

In the future, we are planning to host a prestigious national conference dedicated to the Unani system of medicine.

Enhance Diagnostic Methods:

Develop and refine diagnostic techniques based on principles of Unani System of Medicine to improve disease diagnosis accuracy and reliability.

Standardize Classical Unani Diagnostic Tools:

Establish protocols and standards for traditional Unani diagnostic tools to ensure their consistency and effectiveness in modern medical practice.

Develop Advanced Laboratory Facilities:

Establish state-of-the-art facilities, including a microbiology laboratory, to support advanced research and diagnostics, complementing our holistic healthcare approach.

Expand Academic Programs:

Introduce new undergraduate, postgraduate, and doctoral programs to cater to the evolving needs of the healthcare sector and attract a diverse student population.

Strengthen Research Initiatives:

Design and execute research projects aimed at enhancing the reputation of the Unani System of Medicine both nationally and internationally. Generate comprehensive resource materials to support ongoing and future research endeavors.

Foster International Collaborations:

Form strategic partnerships with renowned international institutions to facilitate student and faculty exchanges and collaborative research projects.
